§ 32-131.02. PROVISION OF PAID LEAVE.

(a)(1) An employer with 100 or more employees shall provide for each employee not less than one hour of paid leave for every 37 hours worked, not to exceed 7 days per calendar year.

(2) An employer with at least 25, but not more than 99, employees shall provide for each employee not less than one hour of paid leave for every 43 hours worked, not to exceed 5 days per calendar year.

(3) An employer with 24 or fewer employees shall provide not less than one hour of paid leave for every 87 hours worked, not to exceed 3 days per calendar year.

(4) For the purposes of paragraphs (1) through (3) of this subsection, the number of employees of an employer shall be determined by the average monthly number of full-time equivalent employees for the prior calendar year. The average monthly number shall be calculated by adding the total monthly full-time equivalent employees for each month and dividing by 12.

(5) In the case of employees who are exempt from overtime payment under section 213(a)(1) of the Fair Labor Standards Act of 1938, approved June 25, 1938 (52 Stat. 1060; 29 U.S.C. § 201 *et seq.*), employees shall not accrue leave for hours worked beyond a 40-hour work week.

(b) Paid leave accrued under this section may be used by an employee for any of the following:

(1) An absence resulting from a physical or mental illness, injury, or medical condition of the employee;

(2) An absence resulting from obtaining professional medical diagnosis or care, or preventive medical care, for the employee, subject to the requirement of subsection (d) of this section;

(3) An absence for the purpose of caring for a child, a parent, a spouse, domestic partner, or any other family member who has any of the conditions or needs for diagnosis or care described in paragraph (1) or (2) of this subsection; or

(A) Seek medical attention for the employee or the employee's family member to recover from physical or psychological injury or disability caused by domestic violence or sexual abuse;

(B) Obtain services from a victim services organization;

(3) Repealed.

(4) Upon mutual consent by the employee and the employer, an employee who chooses to work additional hours or shifts during the same or next pay period in lieu of hours or shifts missed, shall not use paid leave; provided, that the employer does not require the employee to work such additional hours or shifts.

(d) An employee shall make a reasonable effort to schedule paid leave under subsection (b) of this section in a manner that does not unduly disrupt the operations of the employer.

(e) If an employee does not suffer a loss of income when absent from work, for the number of days up to the days of paid leave provided for in subsection (a)(1), (2), and (3) of this section, an employer shall not be required to provide paid leave for such employee in accordance with this chapter. "(3) An employee who is discharged after the completion of a 90-day probationary period and is rehired within 12 months may access paid leave immediately."
